ETP | DRESSED IDENTITIES

WE ARE HIRING!

PRODUCT DEVELOPMENT INTERNSHIP

Product Development | +- Aug/Sept 2025 | At our HQ in Zeist

WHO ARE WE?

At ETP B.V., we specialise in designing and producing sustainable, representative corporate wear that enhances brand identity and employee pride. With over 25 years of experience, we are a trusted partner for clients in sectors such as retail, hospitality, entertainment, travel, and professional services .

Our approach is rooted in four core principles:

- Thoughtful Design: We create collections that are both functional and stylish, ensuring employees feel comfortable, safe, and proud in their clothing.
- Perfect Process: Our streamlined, customer-focused processes ensure efficient project execution, from concept to delivery.
- Employee in Mind: We prioritise the needs and preferences of employees, involving them in the design process to ensure the clothing meets their requirements.
- Sustainable Thinking: We are committed to sustainability, actively working to reduce our environmental footprint through circular practices and responsible sourcing.

YOUR TASKS:

The intern reports directly to the Product Manager and will receive close guidance and support throughout the entire product development process.
