ETP | DRESSED IDENTITIES

WE ARE HIRING!

SUSTAINABILITY & CSR INTERNSHIP

CSR/ SUSTAINABILITY | FLEXIBLE / FULL-TIME | At our HQ in Zeist

WHO ARE WE?

At ETP B.V., we specialise in designing and producing sustainable, representative corporate wear that enhances brand identity and employee pride. With over 25 years of experience, we are a trusted partner for clients in sectors such as retail, hospitality, entertainment, travel, and professional services .

We believe in a future where textiles are circular, fair and transparent. As a supplier of sustainable workwear and textile solutions, we work every day to reduce our impact and increase our positive contribution – for people, the environment and our partners. From innovative materials to fair supply chains:
Sustainability is at the heart of how we work.

We are looking for a curious and motivated intern to join our CSR team. Are you interested in sustainability, fashion or textiles – and would you like to gain practical experience in an open and driven working environment?
Then we would love to meet you.

YOUR TASKS:

The intern reports directly to the CSR Manager and will receive close guidance and support throughout the entire process.

During your internship, you will be busy with:

- Impact & emissions: Assisting in the collection and organisation of sustainability data, such as CO_2 emissions and chain information (Scopes 1, 2, 3).
- Product sustainability: Collaborating on mapping product impact and seeking opportunities for improvement in design and circularity.
- Research: Exploring and developing trends and innovations in sustainable textiles, new EU legislation, circular business models and sustainable strategies.
- Risk analyses: Collecting and analysing data to map country risks.
- Visualisations: Designing infographics, presentations and communications that fit our corporate identity. Experience with InDesign, Illustrator or Canva is a big +
- Team support: Contributing to reports, presentations and ongoing projects within the CSR team.

WHO ARE WE LOOKING FOR?

- You are enrolled in a higher professional education or university programme in sustainability, textiles, fashion or a related field.
- You are genuinely interested in making the textile or clothing sector more sustainable.
- You work accurately and in a structured manner – Excel does not intimidate you.
- You can express yourself well in English (Dutch is a bonus) and you are comfortable asking questions.
- You are proficient in programmes such as InDesign, Illustrator or Canva to visualise ideas.
- You have a positive attitude, are eager to learn, work independently and enjoy contributing ideas.

DOES THIS SOUND LIKE YOU?

To apply, simply send an enthusiastic email to nicoline.lugtenberg@etp.nl.
Attach your CV and your motivation. Surprise us with your enthusiasm and show us why you are the perfect fit for ETP!
